

Speech Hens

"Communicate with Confidence"

Job Description

Position Title: Independent Contractor Speech-Language Pathologist

Speech Hens is looking for vibrant clinicians to grow our team. We are a busy clinic located in the heart of Norfolk County with a focus on pediatrics. Our passion is helping families access services and get the support needed for their child's communication, feeding, and literacy needs. We provide assessment, treatment, consultation, group programs and classes, camps, and community events.

Do you want to be a part of a team that inspires children, families, and communities? Do you want to help children communicate with confidence? Join our team! We offer flexible schedules, access to a convenient EMR system, and competitive wages. The successful candidates will have part-time work to start, leading to full-time work with the possibility of an employee contract.

As a Speech-Language Pathologist at Speech Hens, you will:

- Have the confidence and willingness to work in: client's homes, a clinic setting, and virtually.
- Contribute to the team through collaboration, demonstrating passion for the work you do and using good judgement and integrity in decision making.
- Provide comprehensive speech, language, and literacy assessments, within the S-LP's scope of competence.
- Establish and implement a goal-oriented treatment plan, in cooperation with the family and, if appropriate, other service providers.
- Provide support to parents, in the form of education, where appropriate.
- Provide treatment services in accordance with best practices, within competencies, and following CASLPO guidelines and standards.
- Ensure all documentation is aligned with College and Clinic Standards.
- Establish and maintain strong rapport with children, families, and involved professionals.
- Adhere to Clinic Policies and Procedures.
- Demonstrate positive and professional relationships with other agency employees, families, volunteers, or community partners.

Qualifications: Master's Degree in Speech-Language Pathology and Registration in good standing with the College of Audiologists and Speech-Language Pathologists of Ontario (CASLPO).

Minimum Requirements:

- Access to a home office
- Valid Driver's licence with access to a vehicle
- CGL & PL insurance
- Must be willing to travel to client's homes in Norfolk and surrounding areas
- Experience preferred
- Vulnerable Sector Check
- First Aid and CPR preferred

Interested candidates please send your resume along with a cover letter to: info@speechhens.com
